

Dear Roy,

I am writing to tell you how pleased I am with the results we've had from advertising on the phone book cover in Kitchener.

We are a small business, and when you approached us about advertising on the cover, it was the first time and only time we went "public".

We have received ongoing business customers due to Cover Direct. In fact we have paid for our ad many times over. We have been so busy we've had to hire more employees! We continue to grow on the base provided by our initial advertising of 2 years ago.

Many thanks for this opportunity. It has been so worth it! We are ready when you are to take part in your next cover in Kitchener. Please call us at 576-9797 for this is the only advertising we budget for.

Thanks,

Amy Rempel
