Dear Roy,

Just a quick note to inform you of the success we have experienced with your "telephone book cover advertising". Within the first two weeks we received four calls that resulted in business for my company. I am happy to say that the ad has already paid for itself. Feel free to use my name as a reference, if you wish.

Due to the success of this ad, I ask you to please keep our name on file for when you market Oakville. I am looking forward to the time when we can do business again.

Thank you.

Sincerely

Garth Mohr
