Dear Mr. Sullivan:

Thank you for your support in working with D.A. Kurt Insurance to have Lutherwood-CODA's name and logo placed once again on the recent Cover Direct Publication. This sponsorship presents a wonderful opportunity for Lutherwood-CODA's name to be seen by 8,000 individuals and companies in the community. We appreciate the incentive you provide to businesses wishing to profile charities on your printed covers.

We are blessed to have partners like D. A. Kurt Insurance and Cover Direct Publications in the community. With the support of friends, like you, we are able to continue delivering and promoting our diverse range of caring programs helping over 10,000 people each year.

Thank you again for your friendship and support of our ministry.

Most sincerely,

Linda Pearson
Director of Development
