Dear Roy;

Just a quick note to thank you for your quality work... I am very pleased the way our ad turned out. We are always concerned with quality when we do print advertising and find Cover Direct's quality is exceptional. I look forward to doing more business with you in the future.

I just want you to know that in the first week we have had response to the ad already. That's great! We have even had a coupon redeemed. I know the cover isn't completely delivered to the whole area yet, but I am very pleased with the action already.

Sincerely,

Bob Harwood
President
Westmount Printing
